Bring a Friend Day

The club is hosting "Bring a Friend Day" on Wednesday February 13th for all skaters. As this is a special day, we are asking all skaters to try to wear red and white. All guests will participate in the regular scheduled class. It will not be a free skate day.

Please ensure that each of the Canskate guests wears a helmet, splash pants and mitts. All PA's are required to attend on this special day, due to the extra numbers of beginner skaters. We ask that the Starskate guests exit the ice at the beginning of the Canskate ice time. Thank you and I look forward to seeing new faces!

Carnival

Please mark Sunday March 30th on your calendar for our year end carnival. It will run from 1-4pm. This year's event is called "Stars on Ice" and will feature each and every Canskater and Starskater. The board will be selling flowers/chocolates in the lobby. There will also be a \$2 admittance charge and the souvenir programs will be sold for \$1/each.

Volunteers will be needed to assist in both the preparation of this event and during the carnival. Note that the program is organized so that each Canskater group only participates in half the show, making it easy for parents to assist during their children's off ice half. Please see Christa to sign up. Thanks.

Starskater Carnival Practices

Any Starskater who wishes to participate in the group number is required to attend a weekly practice each Wednesday at 5:00 pm for 15 minutes. These are mandatory and all Starskaters must sign up on the list (at the registration table) if they wish to participate in

the line number. The deadline is January 31st. Any questions, please see coach Barb or Christa. Note that private lessons cannot be scheduled during this time period.

Awards Banquet

Join us for dinner on Wednesday April 30th for our club's year end banquet. This is our awards and appreciation night for our skaters, so please attend. It is being catered by the Lion's Club and is being held in their banquet hall attached to our arena. More information will follow.

Spring School

We will be offering a spring skating program for any Starskaters during the month of May, BUT you must pre-register. Please see Christa.

Ticket Stubs

The 2008 Ontario Skaters promotional contest ticket stubs have been submitted to Skate Canada by our club. Any parent who did not get their stubs in to our club office may mail them directly into the address printed on the back of the lottery booklet.

CRSC Mission Statement

To develop recreational skating skills, physical fitness and friendship while fostering a lifetime love of skating.
